DREW GRAHAM

wdgraham@coastal.edu · (843) 591-4262 · Conway, SC, 29526

EDUCATION

Coastal Carolina University (CCU) — **Conway, SC**
BS in Computer Science, GPA: 3.561 — 5/2025

EXPERIENCE

Los Alamos National Laboratory — **Los Alamos, NM**
Student Researcher — 5/2024-8/2024

- Applied undergraduate research to write a paper and deploy code on supercomputers at LANL.
- Implemented data parallelism across multiple GPUs on a single node for model training and inferencing.
- Extended data parallelism to multiple nodes for model training and inferencing.

Coastal Carolina University — **Conway, SC**
Undergraduate Researcher — 1/2023-Present

- Leveraged PetaVision for anomaly detection on the MVTec AD dataset.
- Applied Convolutional Neural Networks and Transformers to the Machinery Fault Database (MAFAULDA) for time series forecasting.
- Developed 2D physics proxy applications and utilized SimVP(Simpler yet Better Video Prediction) for spatio-temporal prediction.

Student Assistant — 8/2022-12/2022

- Graded assignments and exams for Dr. Prerit Datta's beginner Python course.
- Assisted students with questions they had about assignments and exams.

Verus Operations Ltd — **Remote – London, UK**
Full Stack Web Developer — 3/2021-3/2022

- Built a full-stack application using Node, Express, and EJS.
- Optimized MongoDB backend to increase performance.
- Effectively collaborated in a remote setting with an international team.

Standard Financial — **Remote – Plano, TX**
Data Developer — 6/2022-3/2023

- Authored Python scripts to populate financial data into MongoDB and keep it up to date.
- Advised on technical aspects of product design as a Back-End Web Developer.
- Built and integrated UI elements using JavaScript, TypeScript, and ReactJS.
- Optimized backend services for performance.

TECHNICAL SKILLS

Machine Learning	PyTorch, TensorFlow, Scikit-learn, Keras
Data Science	Pandas, NumPy, Matplotlib, Seaborn
Web Development	TypeScript, ReactJS, Node.js, Express, EJS, PHP
Databases	MongoDB, SQL

AWARDS AND HONORS

- LIFE Scholarship Enhancement 2022-Present
- LIFE Scholarship 2021-Present
- Achieved Dean's List recognition in 5 out of 8 semesters at CCU.

ACTIVITIES

- Initial member of the invitation-only Google WebDev Insights community. 3/2021-Present
  Shaping web development through discussions, surveys, and interviews.
